

Program Agreement

Since the inception of the Temple of the Way of Light in March 2007, we have found that there is a need to create clear rules and guidelines for our guests. The following Terms and Conditions have been designed as a result of our practical experience and serve to prepare our guests for a positive and safe experience in ceremony and in a program as a whole.

The ayahuasca used at the Temple of the Way of Light is an Amazonian decoction of the vine *banisteriopsis caapi* (ayahuasca) and the leaves of the shrub *psychotria viridis* (chacrana). We do not use any other plants in our ayahuasca. The healers and facilitators administering the ayahuasca will use their discretion to adjust the dose for each participant.

The effects of ayahuasca may include temporary changes in your perception of reality and way of thinking, visions (of abstract motifs or clearly identifiable images and scenarios), heightened negative and positive emotions, access to detailed memories that you had forgotten, paranormal phenomena, the emergence of fears or difficult emotions (some of which may be associated with blockages in the body causing pain and tension), introspection, and perinatal or transpersonal experiences (in which you may experience your own death and rebirth).

On a physical level, you may experience nausea, vomiting, chills, tingling, ringing in the ears, dizziness, diarrhea, tremors, sweating, ataxia, and, in rare cases, fainting. Sometimes, especially if you have not drunk ayahuasca before, you may not notice any visionary effects. If that happens, it does not mean the ayahuasca is not having an effect on other levels.

The ayahuasca experience is not linear, but rather it passes through different phases, some more pleasant, even euphoric, and others more difficult. Ayahuasca works to integrate unresolved aspects from the past that have arisen typically from trauma, emotional loss, neglect, abuse, and general emotional and psychological difficulties. During and after ceremonies it is not uncommon to experience emotional, psychological, and physical discomforts, which are typically symptoms of the healing process as ayahuasca helps you to integrate issues from the past that have been trapped in your system.

The healers and facilitators are committed to protecting your physical and emotional security, integrity, and privacy throughout the process, and intend to provide you with the psychological and physical support you need during the preparation phase, the ceremonies themselves, and the period afterwards. We have an emergency protocol and commit to provide any necessary support should the need arise.

Your participation in the ceremonies is entirely voluntary and you are free to opt out, if you wish, before the start of the ceremony. However, you must follow the instructions of the facilitators and healers at all times so that your safety is not jeopardized.

The healers and facilitators may, at any time, decide to exclude you from participation in a ceremony for any perceived impairment in your physical or psychological health that risks leading to problems for you during the ceremony, or if you do not meet the requirements for participation for any other reason.

Working with ayahuasca is not a substitute for medical, psychiatric, or psychotherapeutic treatment, but may complement a therapeutic process and facilitate personal development. If you are currently receiving treatment of any kind or taking any medication, you must provide the full details of your situation prior to booking a program.

If you agree to participate in a program at the Temple of the Way of Light, you will be required to complete a medical form and questionnaire. You must answer all questions honestly and to disclose any relevant personal information about your health.

By accepting these Terms and Conditions, you also agree to the following Declaration, wherein “I” refers to “You”, the participant in the program.

You will be required to sign a copy of the following Declaration and Terms and Conditions upon arrival at the Temple of the Way of Light.

Terms and Conditions

This agreement is between the Temple of the Way of Light (the Organizer) and You (the Participant).

By booking a program at the Temple of the Way of Light you agree to all the following items listed:

1. The Participant agrees to take part in ayahuasca and medicinal plant ceremonies with the Organizer, has been advised that ayahuasca is a visionary plant, and is clear on the meaning of this.
2. The Organizer will do their utmost to ensure the safety and comfort of the Participant within the remit of the program. The Participant, in turn, agrees to exercise caution and consideration for themselves and for others during this event, and indemnifies the Organizer against claims for injury or loss.
3. The Participant agrees to respect all individuals at all times. Overt negativity or disruptive negativity detracts from the experience of the others.
4. The Organizer reserves the right to expel any individual who is acting in an excessively negative manner or disrupting the group, staff, and/or shamans, without prior notice, responsibility for a refund, or providing accommodation outside of the Temple.
5. If a Participant's behavior presents a threat to the safety of themselves or others, the Organizer reserves the right to physically restrain the Participant and/or expel them from the program without prior notice, responsibility for a refund, or providing accommodation outside of the Temple. Restraint will be conducted as gently as possible and with respect for the dignity of the Participant.
6. Sexual activity between Participants and/or staff is prohibited. This includes married couples. Should a Participant develop a sexual or romantic interest in another person, any sexual contact/activity must be delayed for two weeks after the last ceremony. As a reminder, we are not attempting to create a moral or philosophical boundary but preventing the potentially dangerous crossing of energetic fields, which can result from sexual behavior while engaged in ayahuasca ceremonies. The Participant agrees to maintain sexual abstinence for two weeks before the first and two weeks after the last ceremony.

7. The Participant, prior to entry into this Agreement, agrees to obtain health or medical advice as to the effect of plants singly and in combination with any medication they are taking.
8. The Participant agrees that they are in a physical and mental condition appropriate to the activities described in this program and agrees to participate at their own risk. The responsibility for taking accurate and timely health precautions and professional medical advice is with the Participant.
9. The Participant agrees to full disclosure with Organizer, in writing, regarding their health history, medical conditions, and any medications they are taking, prior to booking.
10. The Participant agrees to notify the Organizer of any change in their medical circumstances and understands that withholding medical information could be dangerous to their health.
11. The Organizer is not responsible for the personal decision of any guest to stop taking medication or change their medication schedule, and accepts no liability for any adverse effects from withdrawal from any medication.
12. The Participant confirms that they have not been diagnosed with any psychotic disorder, including schizophrenia, schizophreniform, schizoaffective, delusional, or bi-polar disorder.
13. The Participant understands and agrees to adhere strictly to the required diet, drug, and pharmacological restrictions required by the Temple for at least two weeks prior to the first ceremony and for at least four weeks following the last ceremony. The three most fundamental restrictions are street drugs (cocaine, ecstasy, LSD, etc.), sexual activity, and pork.
14. If the Participant does not adhere to these Terms and Conditions as well as all restrictions required by the Temple, the Organizer will not be held liable for the consequences (which can be severe psychological and energetic damage), and reserves the right to expel the Participant without prior notice, responsibility for a refund, or providing accommodation outside of the Temple.
15. If the Participant is found to possess prescription drugs that have not been approved by the Organizer prior to their arrival, street drugs, or alcohol, the Organizer reserves the right to deny them entry to the Temple and/or the program or expel them from the program without prior notice, responsibility for a refund, or providing accommodation outside of the Temple.

16. The Organizer may require the Participant to take a drug or breathalyzer test prior to or during a program, without prior notice or reason. If the Participant refuses to comply with the test, the Organizer reserves the right to deny them entry to the Temple and/or the program and/or expel them from the program immediately and without prior notice, responsibility for a refund, or providing accommodation outside of the Temple.
17. The Organizer is not liable for the injury of any Participant that may occur during or after the program. By participating in a program at the Temple of the Way of Light and accepting this Agreement, the Participant expresses full understanding of and responsibility for the risks that they may encounter during a program. The Participant absolves the Temple of the Way of Light, its owners, and employees of said responsibility. Any legal action taken against the Temple of the Way of Light will only take place in Peru under Peruvian Law.
18. In the case of a medical emergency during a program, such as an intestinal infection, malaria, high fever, broken or damaged bones, snake bite, etc., the Participant will be accompanied by a Temple of the Way of Light representative to a medical facility in Iquitos for treatment.
19. The Participant agrees to follow the guidance of the Temple staff should they develop or exhibit any symptoms of COVID during their retreat. This may include testing, quarantine at the Temple, and missing ceremonies. This may also include evacuation to Iquitos for quarantine and medical care at Participant's own expense.
20. The Organizer reserves the right to expel any guest without prior notice, responsibility for a refund, or providing accommodation outside of the Temple.
21. The program balance must be paid in full at least 6 weeks prior to the start of the program to guarantee a reservation. If a deposit is made with a credit card, that card will be charged automatically for the outstanding balance 6 weeks prior to the start of the program.
22. Once a registration is approved, retreat payments are non-refundable.
23. Should the Participant decide to cancel their reservation more than 8 weeks prior to the start of the retreat, the Participant may transfer to a different program or transfer their payment to personal credit to be used for a future program in the next 2 years.
24. Should the Participant decide to cancel their reservation within 8 weeks of the start of the program, the Participant may transfer to a different program or transfer their payment to personal credit to be used for a future program in the next 2 years if we can fill their place in the program. The Organizer will try their best to do so.
25. In the unlikely event that the Temple is required to cancel a retreat for any reason, all retreat payments will be transferred to a personal credit that can be used within

3 years for any available date. (In our 15 years of operating retreats, we have only cancelled retreats in 2020/2021 due to the pandemic and Peru's border closures).

26. Should a Participant decide to leave a program prematurely, for any reason, the Organizer is not responsible for the reimbursement of monies or for denouncements by the attendee.
27. The Participant agrees to remain on The Organizer's property for the entire duration of the retreat. Failure to do so may result in expulsion from the retreat.
28. The participant agrees not to use cell phones to communicate with the outside world (calls, messages, social media, internet use, etc.) during their stay at the Temple. They agree to keep cell phones off or in airplane mode for the duration of the retreat. If the Participant refuses to comply, the Organizer reserves the right to deny them participation in the retreat and/or expel them from the retreat immediately and without prior notice, responsibility for a refund, or providing accommodation outside of the Temple.
29. The healers at the Temple of the Way of Light function as spiritual guides and teachers. We offer ceremony for the purpose of spiritual communion. In order to operate programs at the Temple of the Way of Light in accordance with Peruvian Law, we require that you also understand and agree to the following:
